

p b s a M e t e r

Now frank even small postal volumes both economically and ecologically.

Our philosophy – that any innovation must have both immediate and long term benefits for its customers – has made it a respected name among postal professionals world-wide.

The pbsa meter is the latest and most powerful expression of this philosophy. A fast, reliable, fully modular, expandable franking system, driven by advanced System Intelligence, with exclusive ComTouch™ ease of use. The New-pbsa meter delivers unique performance and user benefits that enable you to manage every mailing faster, more easily and economically than ever before.

Touch it! The exclusive ComTouch™ springs to life, immediately displays every function you need and guides you through the entire franking process step by menu-guided step. That's System Intelligence.

Key features in brief.

2000 frankings per hour. Letter thicknesses up to 6 mm. 9 programmable fixed values. Resettable and non-resettable value and item counters. Up to 8 advertising clichés in memory. Automatic date-change. High-value
